

A hand with light pink manicured nails holds a black, textured bottle of Elixis Holistic Beauty Drink. The bottle has gold lettering, including the brand name 'Elixis' and 'HOLISTIC BEAUTY DRINK'. The background is a soft-focus green and white. A semi-transparent white banner with dark green text is overlaid across the middle of the image.

Elixis Holistic Beauty Drink

What sets it apart

- the size of the hyaluronic acid molecule
- noticeable effects after just 2 weeks
- full treatment duration only 6 weeks
- liquid form of dietary supplement
- variety of plant extracts used
- effectiveness confirmed by instrumental tests conducted in an independent laboratory

Highest available dose

02 | 250 mg of vegan high-molecular-weight hyaluronic acid together with bioavailable plant extracts with high antioxidant potential

Hyaluronic Acid
Moringa
Acerola
Nettle
Lemon Balm
White Mulberry
Young Wheat
Rowanberry
Apple Juice
Ionised Water

A wealth of ingredients

03

The liquid form of Elix Holistic Beauty Drink ensures effective and efficient absorption by the body.

Hyaluronic Acid

It is a natural polysaccharide found in the skin that attracts and retains water, keeping it hydrated and elastic. Studies show that regular use of hyaluronic acid significantly improves skin hydration, reducing the appearance of wrinkles and fine lines.

Moringa

The plant of youth, moringa is rich in antioxidants such as vitamins A and E. Its components help protect the skin from damage caused by oxidative stress and free radicals.

Acerola

BA vitamin powerhouse, this ingredient is one of the richest natural sources of vitamin C, which is essential for collagen production – the protein responsible for skin elasticity and firmness. It also acts as an antioxidant.

Nettle

Nettle has anti-inflammatory properties, which benefit irritated and acne-prone skin. It is known for its cleansing effect on the urinary system and helps maintain healthy kidney function.

Lemon Balm

MLemon balm is known for its calming properties, helping to reduce stress and improve sleep quality. It has antibacterial and anti-inflammatory properties, making it beneficial for problem-prone skin.

White Mulberry

It positively affects skin elasticity and helps reduce wrinkles. White mulberry helps regulate blood sugar levels, which is beneficial for people with diabetes or predisposed to it.

Young Wheat

It is rich in B vitamins, which are important for healthy skin and hair. The vitamin E contained in wheatgrass also acts as an antioxidant. It supports digestion and improves gut function thanks to its content of fibre and digestive enzymes.

Rowanberry

Rowanberry is a rich source of antioxidants. They have a rejuvenating effect on the skin, as they effectively neutralise harmful free radicals, reducing signs of ageing. It helps maintain healthy cholesterol and blood pressure levels.

Apple Juice

A natural ingredient, rich in vitamins, minerals, and antioxidants that support healthy skin and hair. The vitamin A in apple juice contributes to skin cell regeneration. Apple juice helps regulate digestion and provides the body with valuable fibre.

Ionised Water

It helps maintain the body's optimal pH, which is key for health. It reduces acidity levels in the body. This is particularly noticeable for people who experience acid reflux, oesophagitis, or other stomach-related issues.
